

PARAMEDIC RESUME

by Resume Genius

47 Francis Street, Manchester, TN 37349 • your.name@email.com • (123) 456-7890

Summary

Patient-focused health care professional with hands-on experience delivering pre-hospital urgent and quality patient care during emergency situations. Knowledgeable with using a wide array of basic and advanced abilities to offer life support and ambulatory care to extremely ill and injured people. Superior communicator forging positive relationships with other emergency responders while exemplifying efforts to remain calm during stressful scenarios.

Professional Experience

Paramedic

December 20XX–Present

MEDSTAT AMBULANCE SERVICE, Manchester, TN

- Gather crucial information about patients — including allergies, medications, and pain levels — to influence efficient decision making
- Analyze medical conditions of 10+ patients daily, performing preliminary diagnosis and delivering emergency treatment accordingly
- Acquire practical knowledge regarding usability of medical equipment and ongoing treatment plans, resulting in optimized patient care
- Support 5 physicians during procedures by assessing patients' needs and monitoring their vital signs

Emergency Tech II

May 20XX–December 20XX

CAPE CORAL EMERGENCY ROOM, Cape Coral, FL

- Attended out-of-hospital medical incidents with other health care workers and provided paramedical services, reassuring patients and family members
- Drove emergency vehicles to transport 15+ patients daily from residences to area hospitals and vice versa
- Complied with all established medical protocols and health and safety standards
- Stocked and maintained ER-related inventory for 5 emergency rooms

Education

EMT-Basic

May 20XX

Apollo Career Center, Lima, OH
